SAVE THE ALIENS

FEATURING THE MUSIC AND POLITICAL CORRECTNESS OF: GRATEFUL DEAD, R.E.M., TRACY CHAPMAN, EDIE BRICKELL, PETER GABRIEL, AND OTHERS.

Hello, I'm Sting. In the past I've been involved in such important causes as "Feed Those Really Poor People" and "Rubs for Mugs" the program that offered massages to prisoners with sore backs. Now I'm devoting my important time to educating you ignorant people on the plight of the Aliens. Since the first Alien movie the population of Aliens has approached extinction. But with my help we can save the Alien. This new compact disc contains the musical genius of myself and some of my friends. Surely, after I went to the trouble of making this album, the least you peasants can do is buy it.

Other Benefit Discs coming from IPITTYU DISCS:

- Save Walden Books
- Lorne Greenpeace
- Amnesty's International House of Pancakes
- Save the Dead
- Adopt a Dead Lab Animal
- Tuxedos for the Homeless

VIERING OFF by Jed Vier

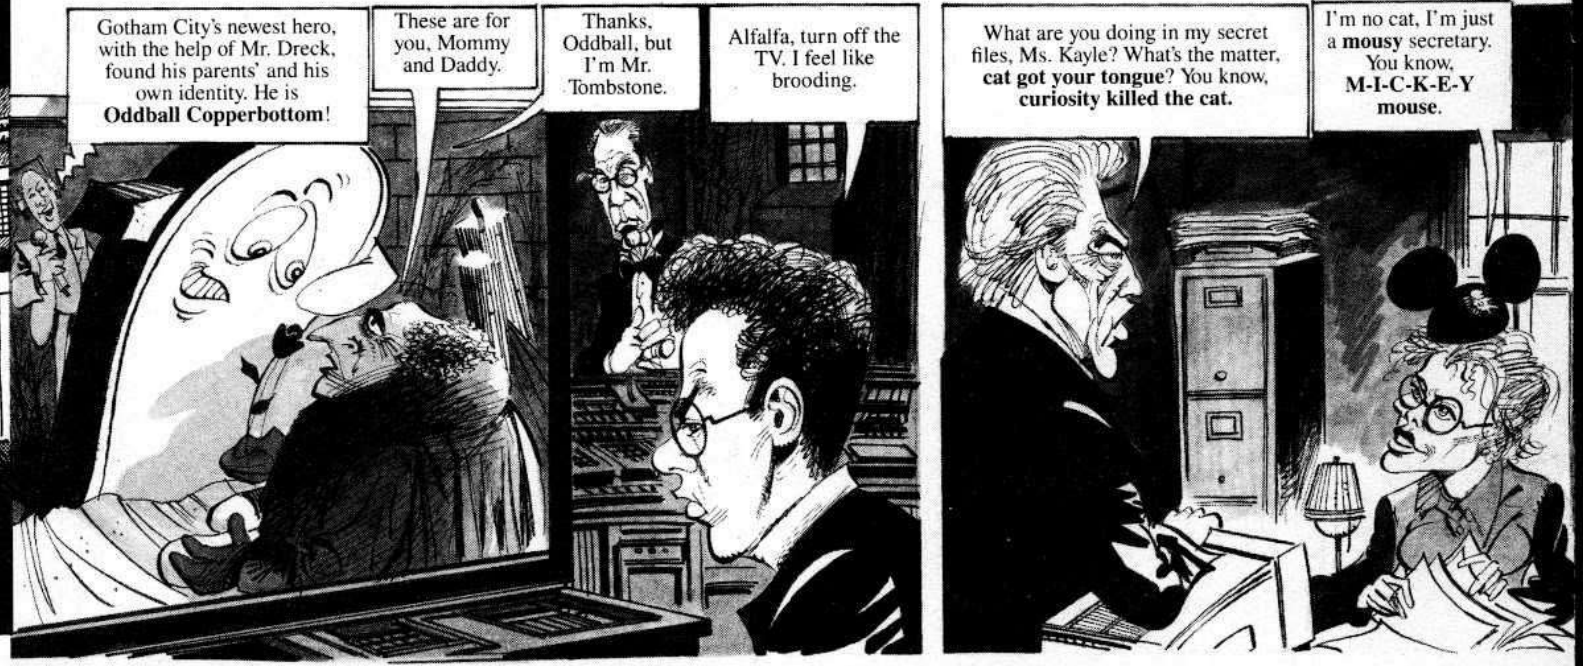

The long-awaited sequel to Battyman has finally arrived! The movie has awesome sets and special effects, a groovy director and a good cast. But in typical Hollywood fashion, they hired a writer whose last two films were **FORD FAIRLANE** and **HUDSON HAWK**. So we figured the script wasn't going to be brilliant, and believe us, it wasn't. In fact, after sitting through the movie, we asked why did

BATTYMAN RETURN?

WRITER: LOU SILVERSTONE
ARTIST: WALTER BROGAN

Dreck, why are you pushing for a new power plant? Gotham City has a surplus of power.

Then why is this movie so dark?

I'm going to fight you on this, and I have the backing of the Mayor.

Then we'll get a new mayor, Mr. Oddball Copperbottom.

I'm gonna love running for mayor, especially the part where I kiss babes.

You're supposed to kiss babies.

Hey, who's running, you or me?

We need an incident that will make people angry enough to vote to recall the Mayor.

No problem, my freaks will trash the city.

What are you doing here?

As the next Mayor, I'm here to assess the damage. And I've found the root cause of this civil unrest.

You and your clowns are to blame.

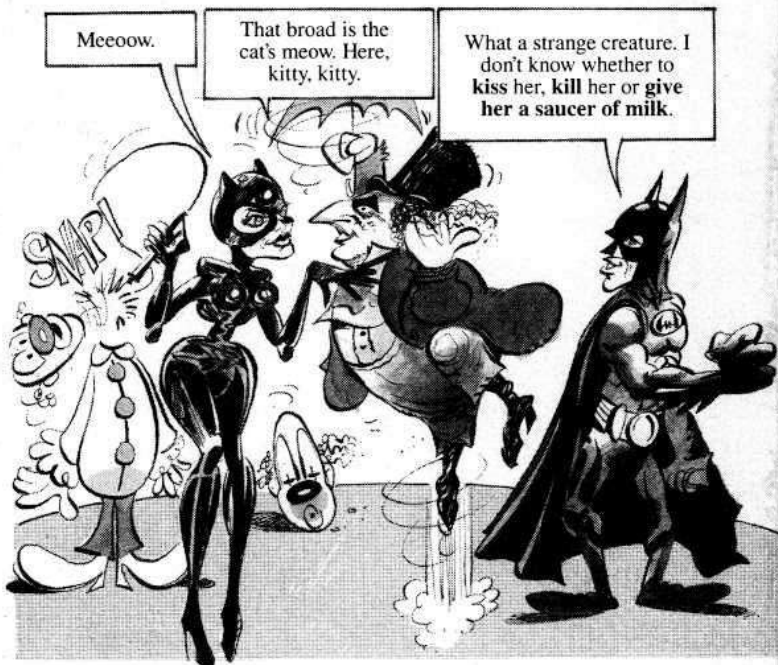

Wrong. This riot is Murphy Brown's fault.

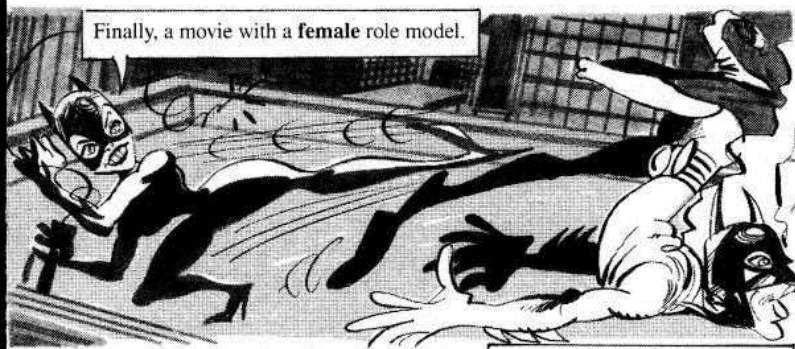

Meeoow.

That broad is the cat's meow. Here, kitty, kitty.

What a strange creature. I don't know whether to kiss her, kill her or give her a saucer of milk.

Finally, a movie with a female role model.

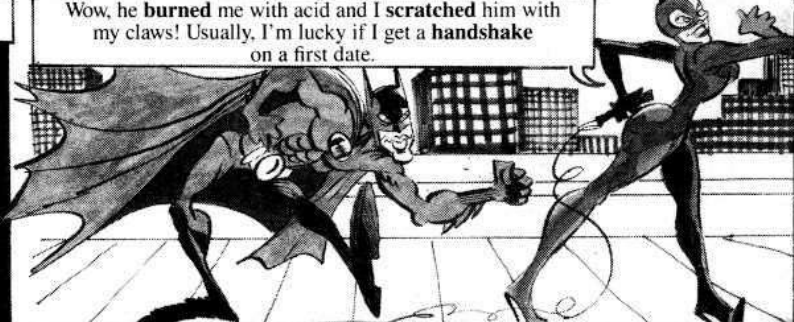

You hit me! You're no gentleman! Look, I broke a nail, and my makeup is smeared!

This sure beats Kleenex.

Wow, he burned me with acid and I scratched him with my claws! Usually, I'm lucky if I get a handshake on a first date.

Chomp, chomp. We oughta team up; we got a lot in common. Like we both dig raw fish. Here, wanna bite?

No thanks. The only thing we have in common is that we both want to get rid of Battyman.

No, we'll frame him. We'll kidnap the Ice Princess, and leave a bloody Battyrang at the scene so the cops will blame Battyman. We'll take the Princess to the roof, he'll try to rescue her, and we'll shove her off while releasing hundreds of bats from the Xmas tree. Everyone'll think Battyman did it.

With a plot like this, no wonder there are so many special effects. I'll have my guys fix the Battymobile so I can control it by remote.

I'll plant a bomb in his Battymobile. That should do it.

Our plan worked!

I can't control the car! Why do these things always happen right after the warranty expires?

Holy Evel Knievel! The Battymobile turned into a Battycycle! I don't believe it!

The Penguin is giving a speech tonight, and I have a tape that will shock the people of Gotham City.

Did the Penguin have an affair with Gennifer Flowers?

No, but this is damaging enough. When the speech starts, we'll jam the frequency and play the tape.

My fellow Gothamites, p-o-t-a-t-o, haha. But seriously, folks, I pledge no new taxes. Read my lips.

I'll raise taxes on you slimeballs, you buttheads will pay through the nose. I'll steal and bounce checks, I'll sell weapons to Iraq...

Boooo! Crook!!

I don't believe it, it's a politician being truthful. He's got my vote.

Why do they always throw tomatoes; why not throw fish for a change? I'll get even tonight while all the big shots are dancing at Dreck's party. I'll snatch their kids and throw them in the sewer.

Spruce, don't you find it strange that this is a costume ball?

What's strange about that?

We're the only ones not wearing costumes.

Like my perfume? It's Eau de Catte Nippe.

I didn't get an invitation, so I figured I'd crash your shindig. While you people are partying, my gang is kidnapping your brats. Hahaha!

It doesn't get any better than this. I'm gonna drown all those brats. Hahaha. Where are they?

I have a note.

A note? Read it.

Dear Penguin, the children will be unable to attend today. Signed, Battyman. P.S.: Have a nice day.

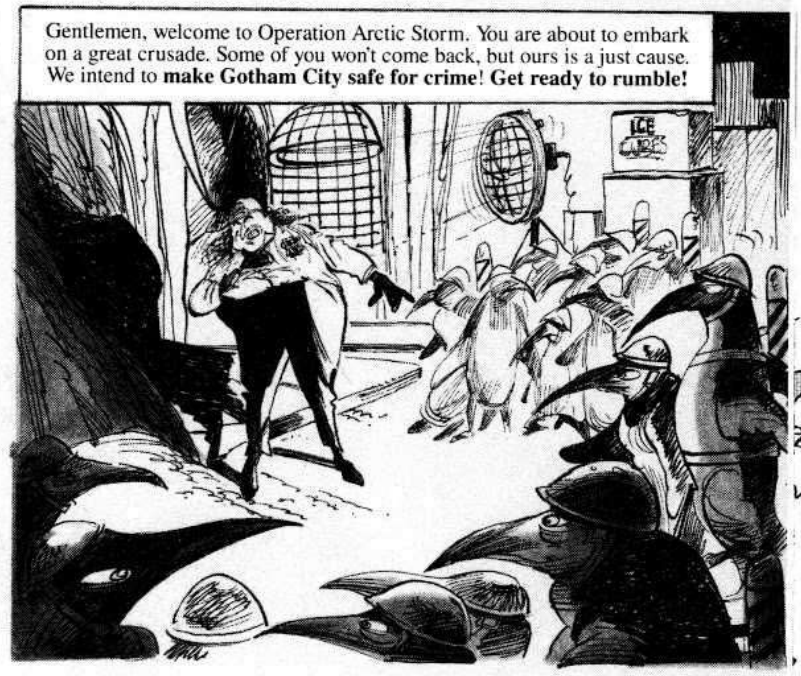

Okay, Battyman, you win. I won't kill the kids.

Cheez, the Penguin's getting soft. **ARRGGGH!**

We'll kill **everybody** in Gotham City, not just the kids.

BAM! BAM!

Gentlemen, welcome to Operation Arctic Storm. You are about to embark on a great crusade. Some of you won't come back, but ours is a just cause. We intend to make Gotham City safe for crime! Get ready to rumble!

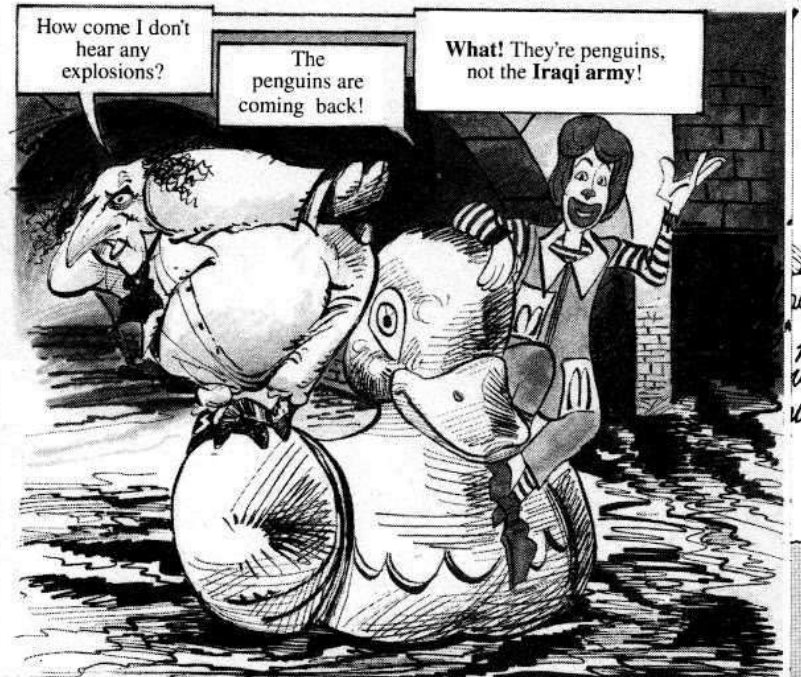

Sir, I'm homing in on the Penguin's signal. There, I've jammed his frequency.

Good work, Alfalfa.

It was a piece of cake, sir, compared to programming a VCR.

Alright, now turn the Penguin's army around.

How come I don't hear any explosions?

The penguins are coming back!

What! They're penguins, not the Iraqi army!

The Penguin
drowned. Let's get
Dreck and go home.

I'm not a
house cat.

Who are you under that
mask? You show me **yours**
and I'll show you **mine**.

Selenium! I
thought it
would be Sean
Young.

Spruce? I was hoping
it was Arnold
Schwarzenegger.
Okay, now I'm going
to kill Dreck.

Let the
authorities
take care of
him.

Rich, powerful men
never go to jail.
Look at Nixon, and
Neil Bush, and
Ollie North.

This is for **all the secretaries**
who are tired of making coffee
for their bosses.

You were right, Spruce,
Gotham City has **plenty of**
power. . . YAAAAIIIEE!!

Yo,
Battyman.

But you're **dead**; I
went to your funeral.
You would have loved
it. Your penguins
acted as pallbearers.

Holy
Hallowe'en,
I'm not the
Penguin!

Bobbin!

Surprised? I'm
gonna get
revenge
for being left out
of both movies.

But Boy
Wonder, you
can't kill me;
I was like a
father to you.

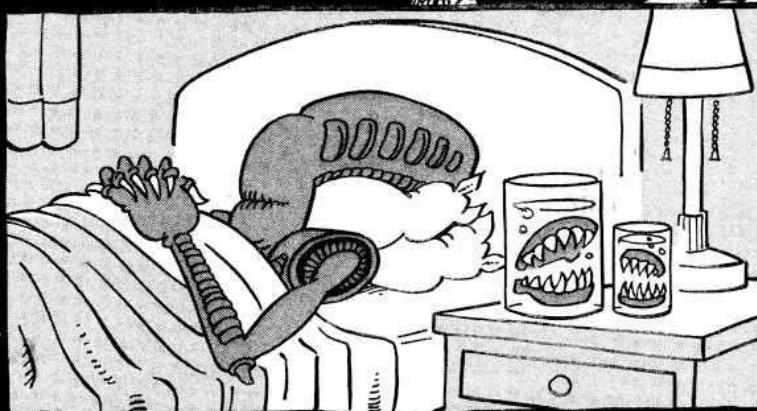

What's a little **patricide** in
this gross movie? It started
off with parents **drowning**
their deformed child, then
came **murder, S&M,**
kidnapping,
dismemberment,
electrocution,
cannibalism, animal
abuse and genocide.
So long, you old bat!

BAM!
BLAM!

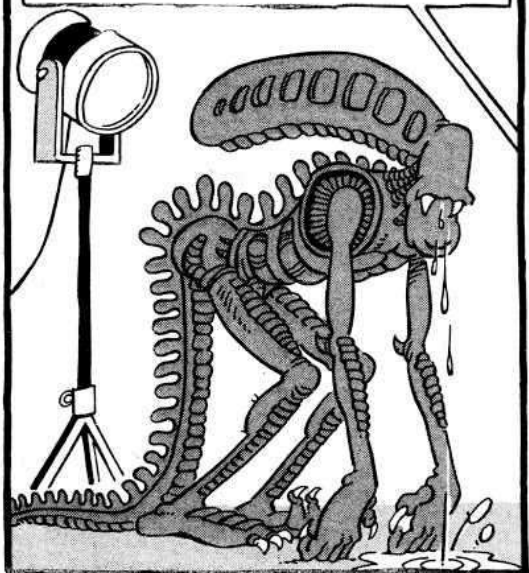

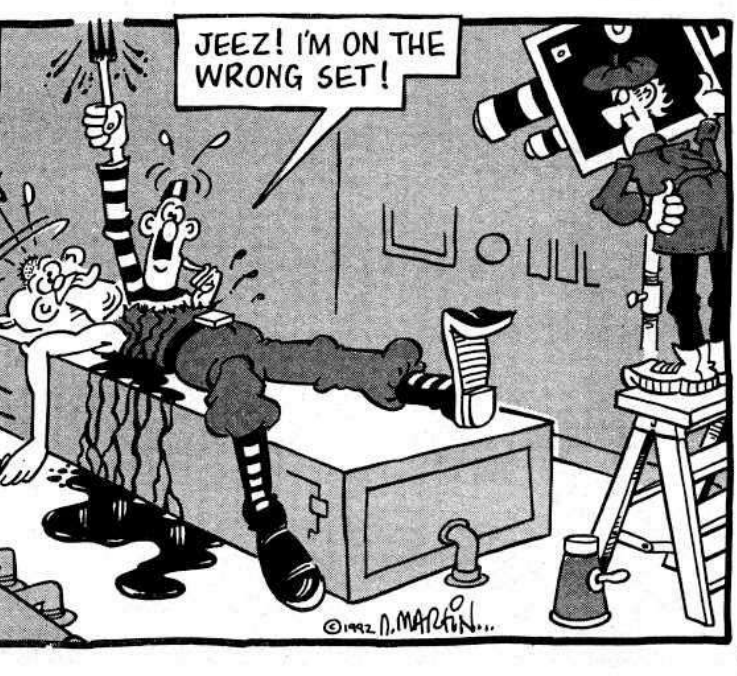

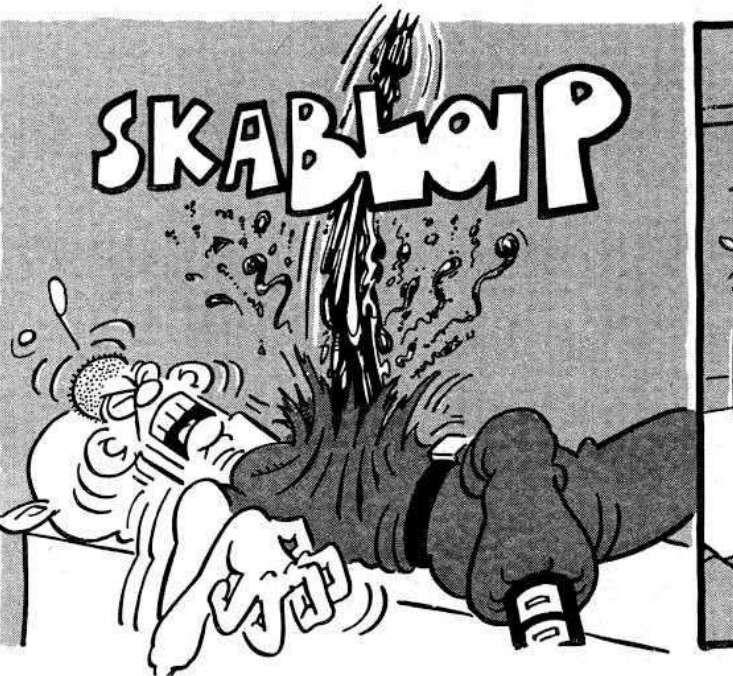

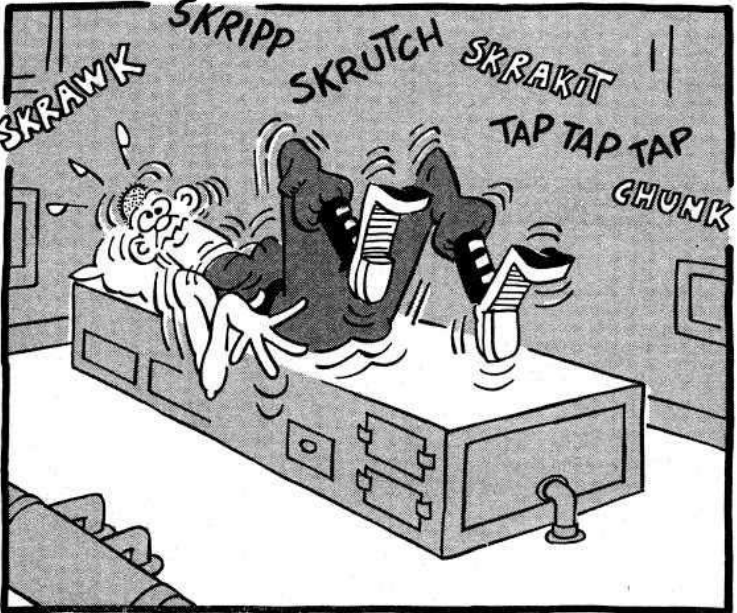

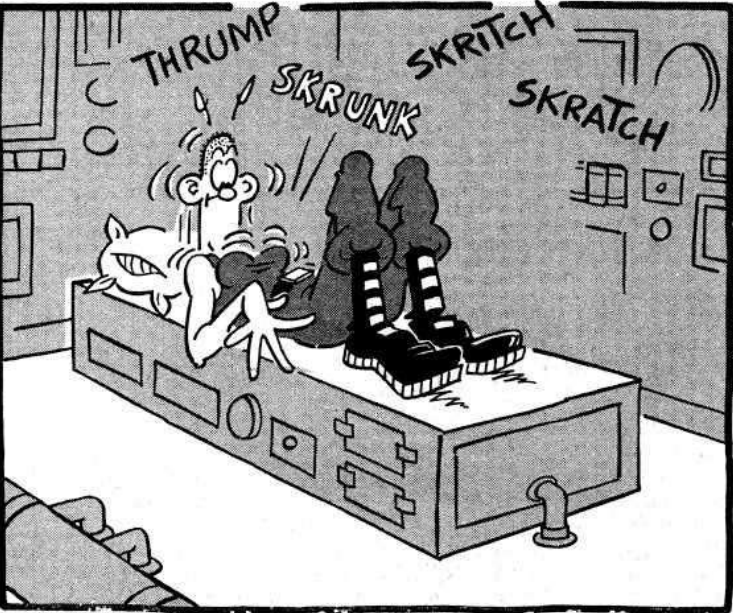

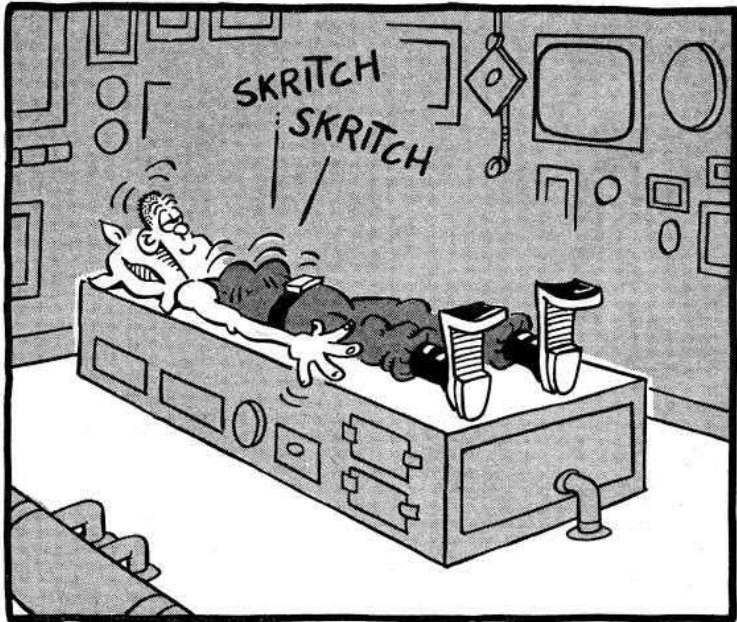

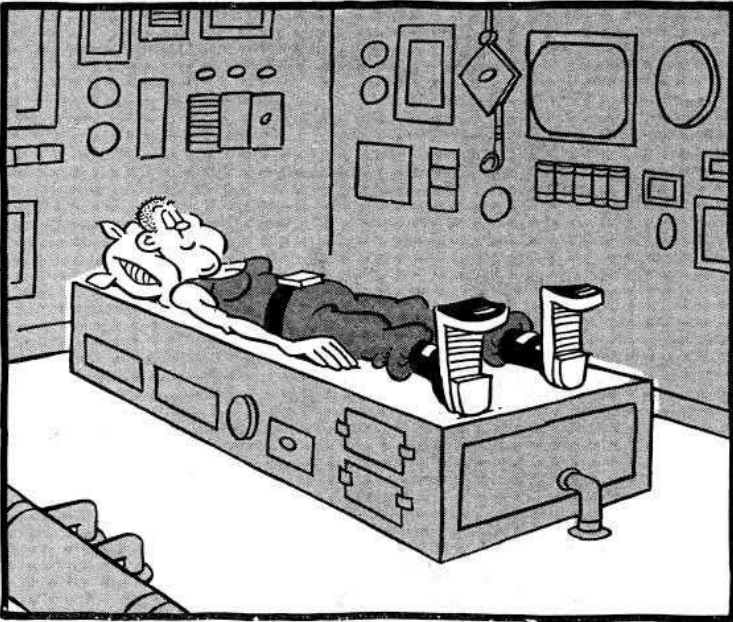

**HOLY MEGABUCKS! IS
THIS THE END OF
BATTYMAN? NO WAY,
BATTYMAN
RETURNS FROM THE
DEAD! WILL BE
SHOWN SOON IN A
THEATRE NEAR YOU.**

Imagine you are in the White House, meeting with Gen. Norman Schlitzkopf and Gen. Colon Bowel to plan your next military invasion. Suddenly, you realize that you REALLY HAVE TO GO! Find your way from the OVAL OFFICE, through the CORRIDORS OF POWER, to the CHIEF EXECUTIVE'S BATHROOM.

On the way, you must avoid annoying obstacles, such as hostile HOMELESS & UNEMPLOYED TOURISTS camped out in the White House, and nosy, rude reporters in the PRESS ROOM. Only one route will work. There is no time limit, but if you don't hurry, it could get EMBARRASSING!

PART D: MATH SKILL.

See how many errors you can spot in this sample check register. **WARNING!** Check this problem very carefully. If you are unable to find any errors, you can NEVER be President—you will be DOOMED to spend your entire political career in CONGRESS! (Your starting balance is \$50.00.)

CRACKED'S ROADKILL BINGO

WRITERS: ERIC GOLDBERG AND MARK HOWARD ARTIST: RURIK TYLER

Visiting your fat Aunt Lucille's house for Thanksgiving may be bad enough, but that 3-hour car ride is practically unbearable, especially when you're forced to listen to your mom's "Phantom of the Opera" CD 7 consecutive times. Well, thanks to **CRACKED**, those hours of boredom will be filled with spine-tingling excitement with **CRACKED ROADKILL BINGO**!

INSTRUCTIONS: To the left you will find 4 game cards, each bearing animals that may be found squished on any highway or street. Simply cut out each bingo chip card, and when you spot a "splatted" animal, place the bingo chip over that spot. When you're the first to get three "crunched critters" horizontally, diagonally, or vertically, scream **BINGO** (not too loud, you don't want your dad to get scared and hit something that might make someone else win) because you're the **CRACKED ROADKILL BINGO** champ!

PLAYERS' NOTE: The animal on the road must be completely dead. Any movement will disqualify that animal on your game card.

As everyone who has a TV set knows, it's an OLYMPIC YEAR. This means we get to watch a bunch of professional jocks competing in their specialties. But what about the rest of the world, all the poor, average guys and gals who can't run, jump, slam-dunk or whatever? Why not have...

OLYMPIC EVENTS BASED ON EVERYDAY STUFF?

TOWEL-SNAPPING DUEL OF DEATH: Opponents square off with points awarded for snap technique, frequency of snaps, loudness, pain quotient and, of course, weltnage.

SCARF-O-MANIA: Can you keep it down? The object of this test of intestinal fortitude is to actually eat everything on a school lunch menu.

MOWER BALK: This event involves putting off mowing the lawn with any excuse you can find. The time limit is sunset, or being physically strapped to the mower. Extra points are earned by avoiding bodily harm caused by irate fathers. There is a penalty for actually doing homework to avoid the chore.

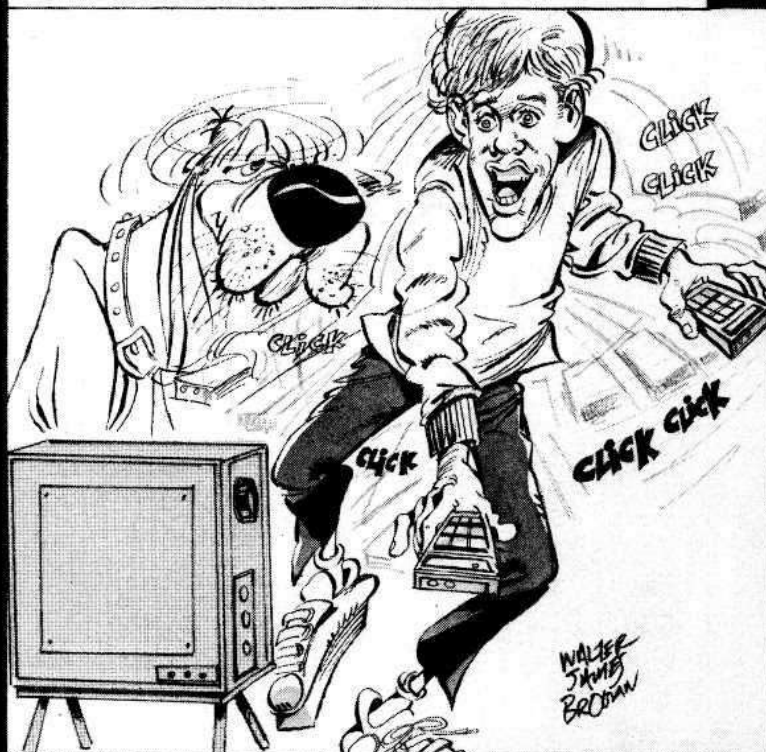

SNOOZE 'N' CRUISE: Catch that bus or BUST! Contestants must sleep until the last possible second before dashing off to catch their rides to school. Bonus points are awarded for dashing on the run, but penalties are severe for missing the bus and having Mom drive you to school.

CLASS CLOWN DRESS-DOWN: Be wild, be crazy, be **YOURSELF!** Dress in rags or paper bags, but dress to impress! Bonus points are given for mismatched socks and sleeping in your clothes to acquire that cool 'dishevelled' look. Penalties are imposed for the wearing of 'Bartman' shirts, or any clothing displaying the image of a popular character more than three months old.

CABLE ZAP: Zap until you drop, changing through every channel available. Bonus points are earned by actually following plotlines and keeping the remote control away from Dad. Super bonuses are awarded for causing the tube to 'fritz' from your zapping blitz.

TRASH DASH: Contestants must wait until they hear the garbage truck clattering down the street, then gather a week's worth of trash and have it at curbside before the truck pulls away. Penalties are imposed for torn bags and failure to sort recyclables.

SUBSTITUTE TEACHER TORMENT: Paper airplanes, spitballs and squirt guns are all legal in this team sport. Bonus points are given for avoiding actual schoolwork of any kind, super bonuses for causing your substitute to have a nervous breakdown.

IMPORTANT NOTE! One cannot simply put down a half-read volume of Hemingway and declare, "Now I am an illiterate!" no matter how tempting Hemingway makes it.

BUSINESS CATERS TO ILLITERATES!

In some franchises located near high schools, McDonald's has done away with conventional-looking menus in favor of more "illiterate-friendly" ones.

Unfortunately, since Mr. Cracker was unable to put poem to paper, he forgot how it went.

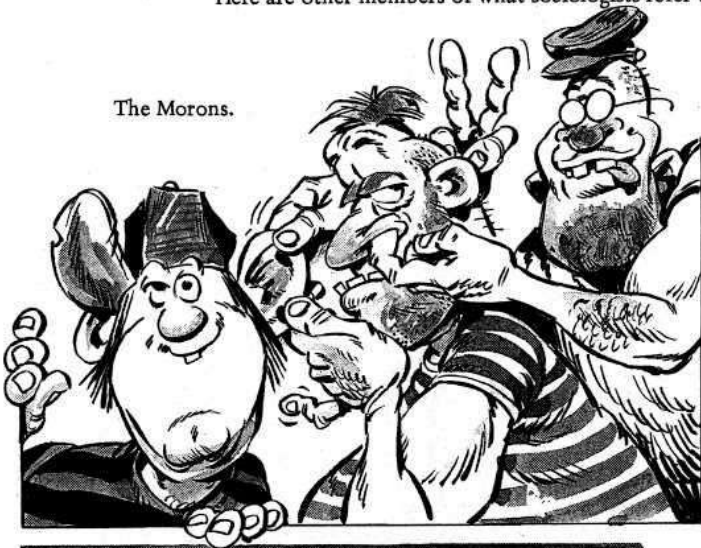

In a dark, smoky coffee shop near the local high school, the dawn of a new era of intelligent enlightenment is beginning. Euphrates Cracker, the renowned illiterate poet, the Bob Dylan of the ignorant, prepares to recite a poem.

GREAT MOMENTS IN ILLITERATE HISTORY

Illiterate students in one high school made certain demands. When they were rejected, they went to take over the Dean's office. However, due to the difficulty they had reading signs on doors, they occupied the broom closet instead. For five days, they refused to lend out mops and vacuums. Only when the campus had become horrendously dirty did the school accede to their demands. Starting this fall, books will be banned on campus.

Guard rails were installed along mountain-sides when famous illiterate Henry Dumars fell off Pike's Peak.

That's about it for Great Moments in Illiterate History.

COMING ILLITERATI EVENTS IN THE MONTH OF SEPTEMBER

9/2/92

Nationwide seminars entitled, "English as a First Language."

9/12/92

Henry Dumars' birthday. To celebrate, thousands of illiterates will fall off Pike's Peak. All are welcome.

9/16/92

The Dan Quayle Spelling Bee. Spell only those words that should end in "e".

9/19/92

March on Washington against the SAT's. SAT's discriminate against illiterates! We want Rorschach Tests! Let your representative know how you feel!

9/24/92

Half-price day at Six Flags Illiterate Village in Mississippi. Due to the thousands of Illiterate Village rip-offs opening around the country, the original one is going out of business. So here's your last chance to wander through Stupidville or marvel at the Truly Idiotic Hall of Fame.

THE ADVENTURES OF OTIS & TANGO

The Adventures of Otis and Tango, which focuses on two illiterate bums, is one of the most popular syndicated comic strips in America, and is a prime example of how Americans have embraced illiteracy.

EVER SINCE 'JFK' CAME OUT, PEOPLE HAVE BEEN ASKING ONE QUESTION: ARE WE REALLY SURROUNDED BY THE BLOODTHIRSTY AGENTS OF A MURDEROUS SECRET GOVERNMENT, OR ARE WE JUST SURROUNDED BY THE MONEY-THIRSTY PUBLICISTS OF A PUBLICITY-CRAZED HOLLYWOOD STUDIO? ONLY OLIVER STONE KNOWS FOR SURE... IF THAT'S HIS REAL NAME. SO HERE ARE A FEW CRACKED CONSPIRACIES OF OUR OWN...

DANIEL O'KEEFE / ROB RZECZOWSKI '92

While in detention for an unrelated offense, the class bully revealed he conspired with the Surgeon General, the school nurse and all the cute girls in your class to spread dis-information about your cootie status, claiming you had tested positive for cooties - in direct violation of the Cootie Confidentiality Act of 1983. Incidentally, the stoolie and his whole family mysteriously vanished soon thereafter, and are presumed dead - although they would have you believe they merely 'moved to another state'!

A member of a Senate subcommittee on playing with your nick-nicks recently leaked to the press that the CIA, PTA, and your mom conspired to cover up a 1991 break-in into your closet to look for dirty magazines.

A Washington D.C. watchdog group has the Freedom of Information Act which Teachers Union, the school guidance annoying, overachieving sibling kept co y

This photo conclusively proves that the Gap, the National Association of Hairdressers, and your parents conspired to assassinate your self-respect by making you wear shorts and a tie to school!

An amateur filmmaker captured this cinematic record of your soaking. It shows you bending back and to the left in reaction to the assault, which the school authorities claim came from the rear. However, such a shot would have caused you to lean forward and away from the powerful stream of water, unless of course there was a second squighter hiding in the grassy playground, and an additional stream came from there.

Furthermore, experts say the weapon, shown at right, which was recovered at the scene, could not possibly have held enough water by itself to get you as wet as you were after the soaking. Hence, there definitely had to be at least one other jerk with a water pistol somewhere around!

You've crashed on Freedonia, a prison colony. All the inmates are convicted sex fiends.

But you don't have to worry, we're all born-again virgins and have taken a vow of celibacy.

Just my luck. I've been in hyper-sleep and I haven't seen a man for eons and I get ship-wrecked with a bunch of monks.

I'm Clements, the Chief Medical Officer. I had to cut your hair; we have a lice problem.

I hope you're a better surgeon than you are a beautician. This haircut is bad enough but I refuse to wear this bra. I don't care if the director made his rep doing Madonna videos.

I have a feeling he'll be back making videos after this.

DOCTOR STUFF

Where's the little girl?

She's in the morgue.

Is she dead?

No, we put her in there for being naughty. Of course she's dead.

We need an autopsy, in case she died of a communicable disease.

What? Measles, chicken pox, yeast infection, the heartbreak of psoriasis?

How about a slimy, four-legged, acid-dripping parasite that bursts out of a person's chest?

CABINET OF TOOLS FOR THE DOCTOR TO USE WHEN HE'S DOING AN AUTOPSY

BODY

The dog just had a pup that looked like that. Funny thing is, I always thought he was a male dog.

How should I know? He killed three of me mates and disappeared.

What happened to the creature?

I've got to repair the android so I can access the flight recorder.

Let's see, according to the manual, the jawbone's connected to de skull bone, de skull bone's connected to de neck bone....

HEAR DE WORD OF

How do you feel?

Almost as bad as you look.

You must be in real pain. What caused the ship to crash?

Surprise...there was an Alien aboard.

Please disconnect me.

No, I'll bring you home and take you to Mr. Goodwrench. They have the technology, the knowledge and the Legos to repair you.

It's no use, my warranty expired 57 years ago.

Let's get 'er!

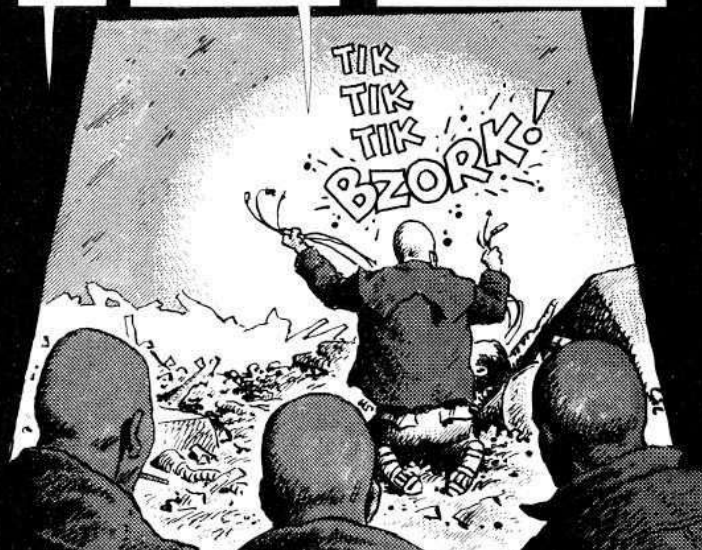

But 'ow about our vow of celibacy?

When we took that there were no women in 'ere.

Cut it out!

Thank God you're here to rescue me.

You? I came to rescue them.

Dullon, I'm going to need your help. You're different from the others.

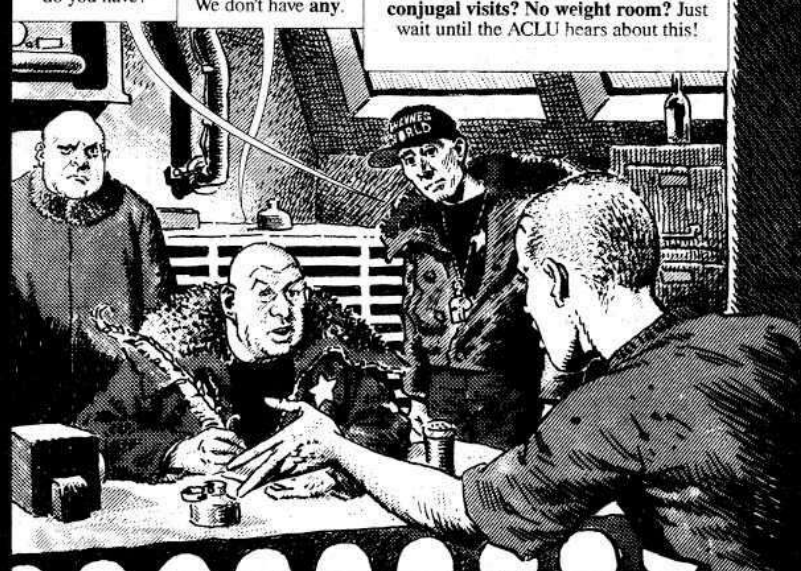

Because I'm black?

No, you're the only person here without an English accent.

It's here! What kind of weapons do you have?

We don't have any.

You call this a prison? No weapons? No cable TV? No Rec Room? No conjugal visits? No weight room? Just wait until the ACLU hears about this!

How did you end up in this hellhole?

I was the most promising physician since Doogie Howser, but I got bombed one night, prescribed the wrong drug, and twelve of my patients died.

It wasn't that. I had forgotten to pay my malpractice premiums.

So you couldn't settle the lawsuits?

Worse, I couldn't pay my lawyer. So here I am.

That's ridiculous. Doctors are never jailed just for killing patients.

Wow! Talk about your quickie romances!

Chaps, we have to put an end to these bloody rumors. Sure, several of your mates have been slaughtered; I'm sure one of you blokes did it. Let's face it, you're all nuts. But believe me, there is no creature.

The Alien is here! It just killed Clements!

Yeeech. You really ought to do something about your breath.

Who are you going to believe, me or her?

We can lure the Alien through the air ducts into the lead mold room, and pour hot lead on it.

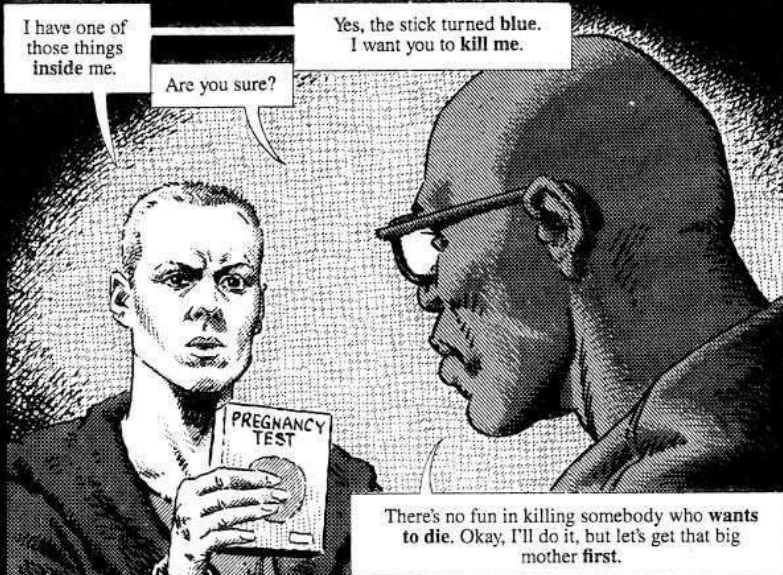

Guess who?

You mean us? Sounds good to me, but what do we know, we're freaking head cases.

What do we use for bait?

Blimey! And I was gonna vote to believe him.

MAP OF FILES THOSE FILES

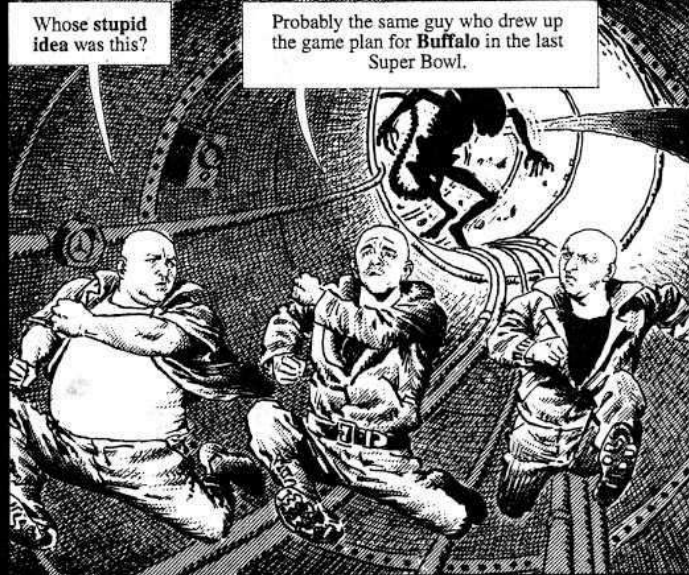

I have one of those things inside me.

Are you sure?

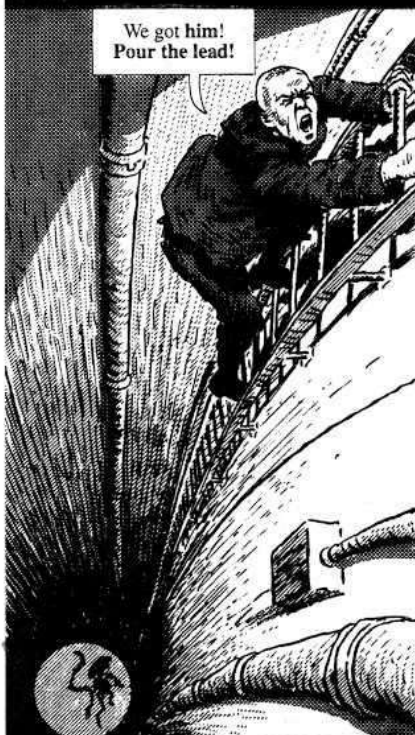

Yes, the stick turned blue. I want you to kill me.

There's no fun in killing somebody who wants to die. Okay, I'll do it, but let's get that big mother first.

Whose stupid idea was this?

Probably the same guy who drew up the game plan for Buffalo in the last Super Bowl.

We got him! Pour the lead!

Holy Stephen King, he's coming out!

Turn on the water!

This is a helluva time to get thirsty.

No, when the cold water hits that hot lead, he'll—

EXPLODE!!

Now for my Schwarzenegger ripoff to terminate this thing.

Are you from the Company?

Dripley...

No, I represent the Committee for Good Old-Fashioned American Family Values, and we feel that you unmarried mothers, especially role models like yourself, are a major cause of the problems and unrest in our inner cities.

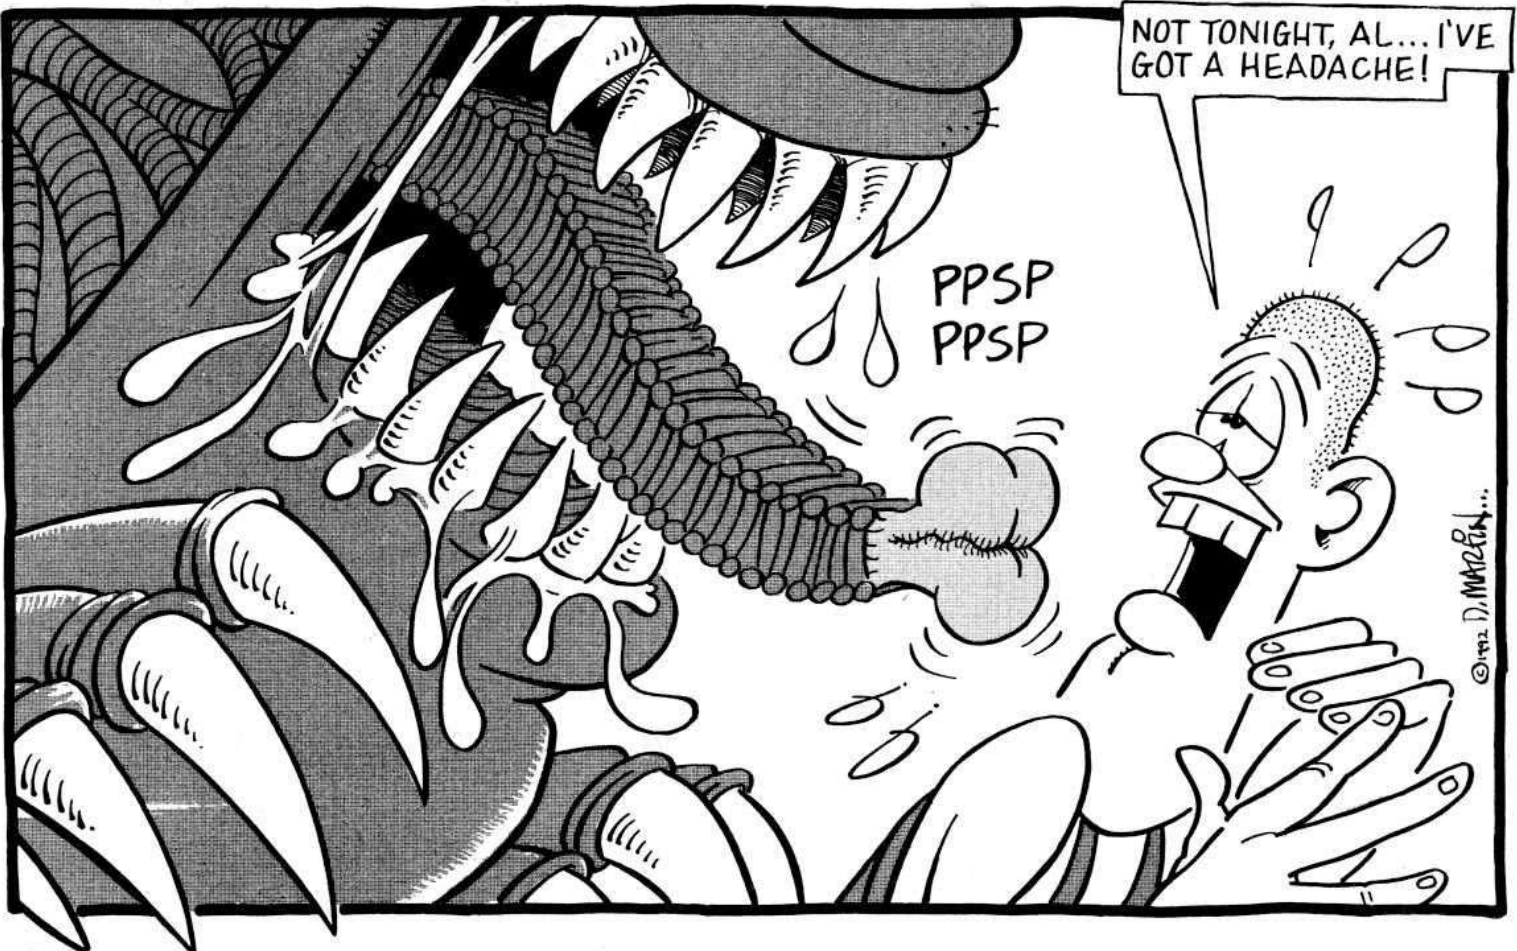

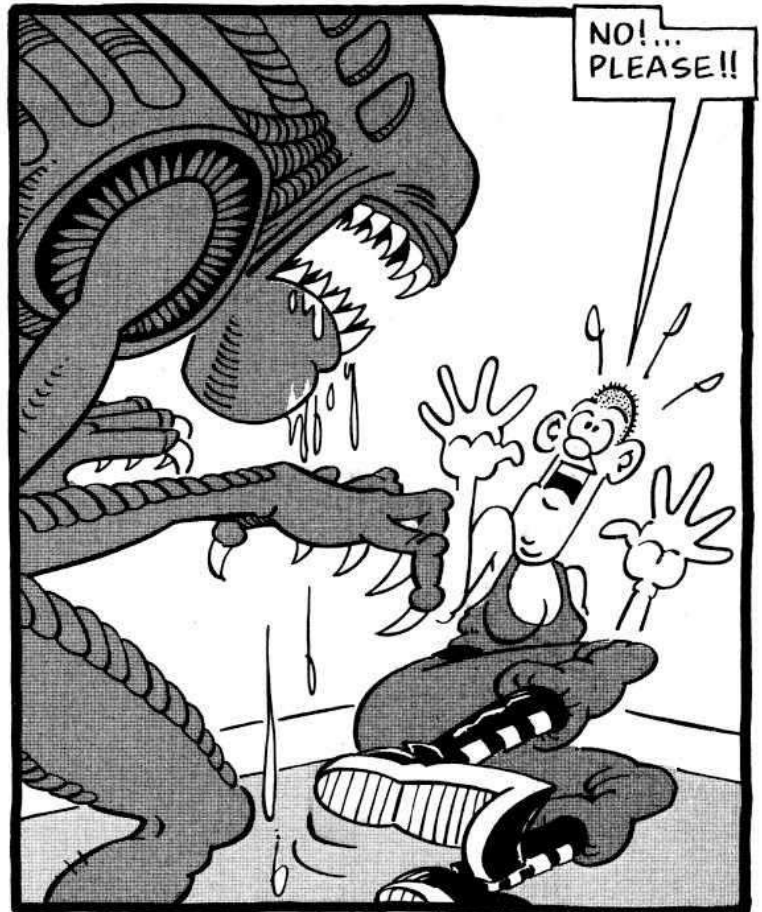

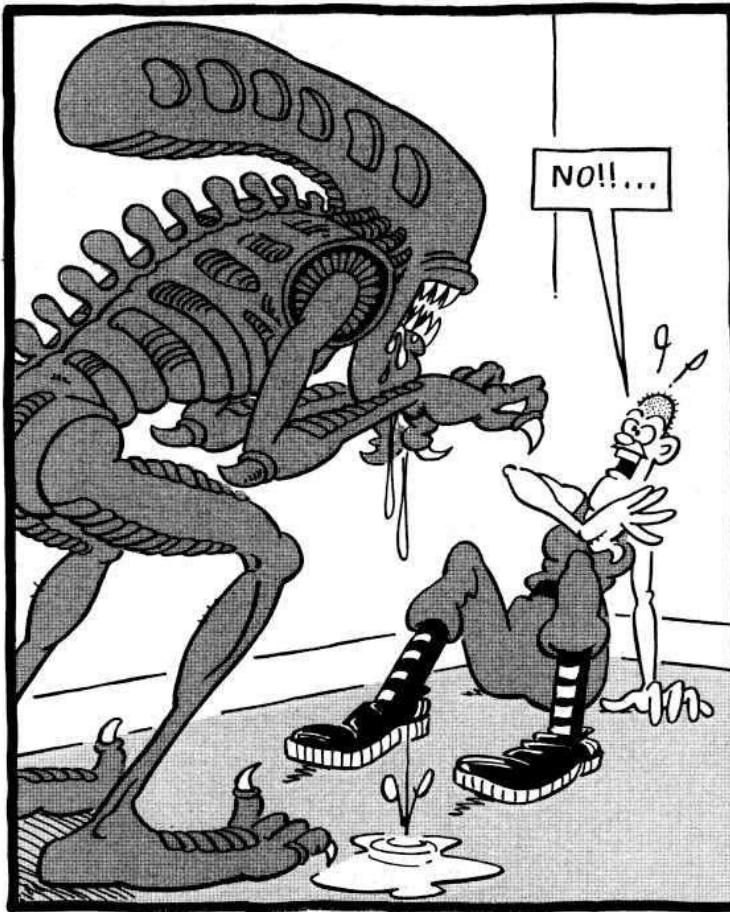

Don't listen to him, Dripley. You're a woman and you have a right to choose.

Husbands, who needs 'em.

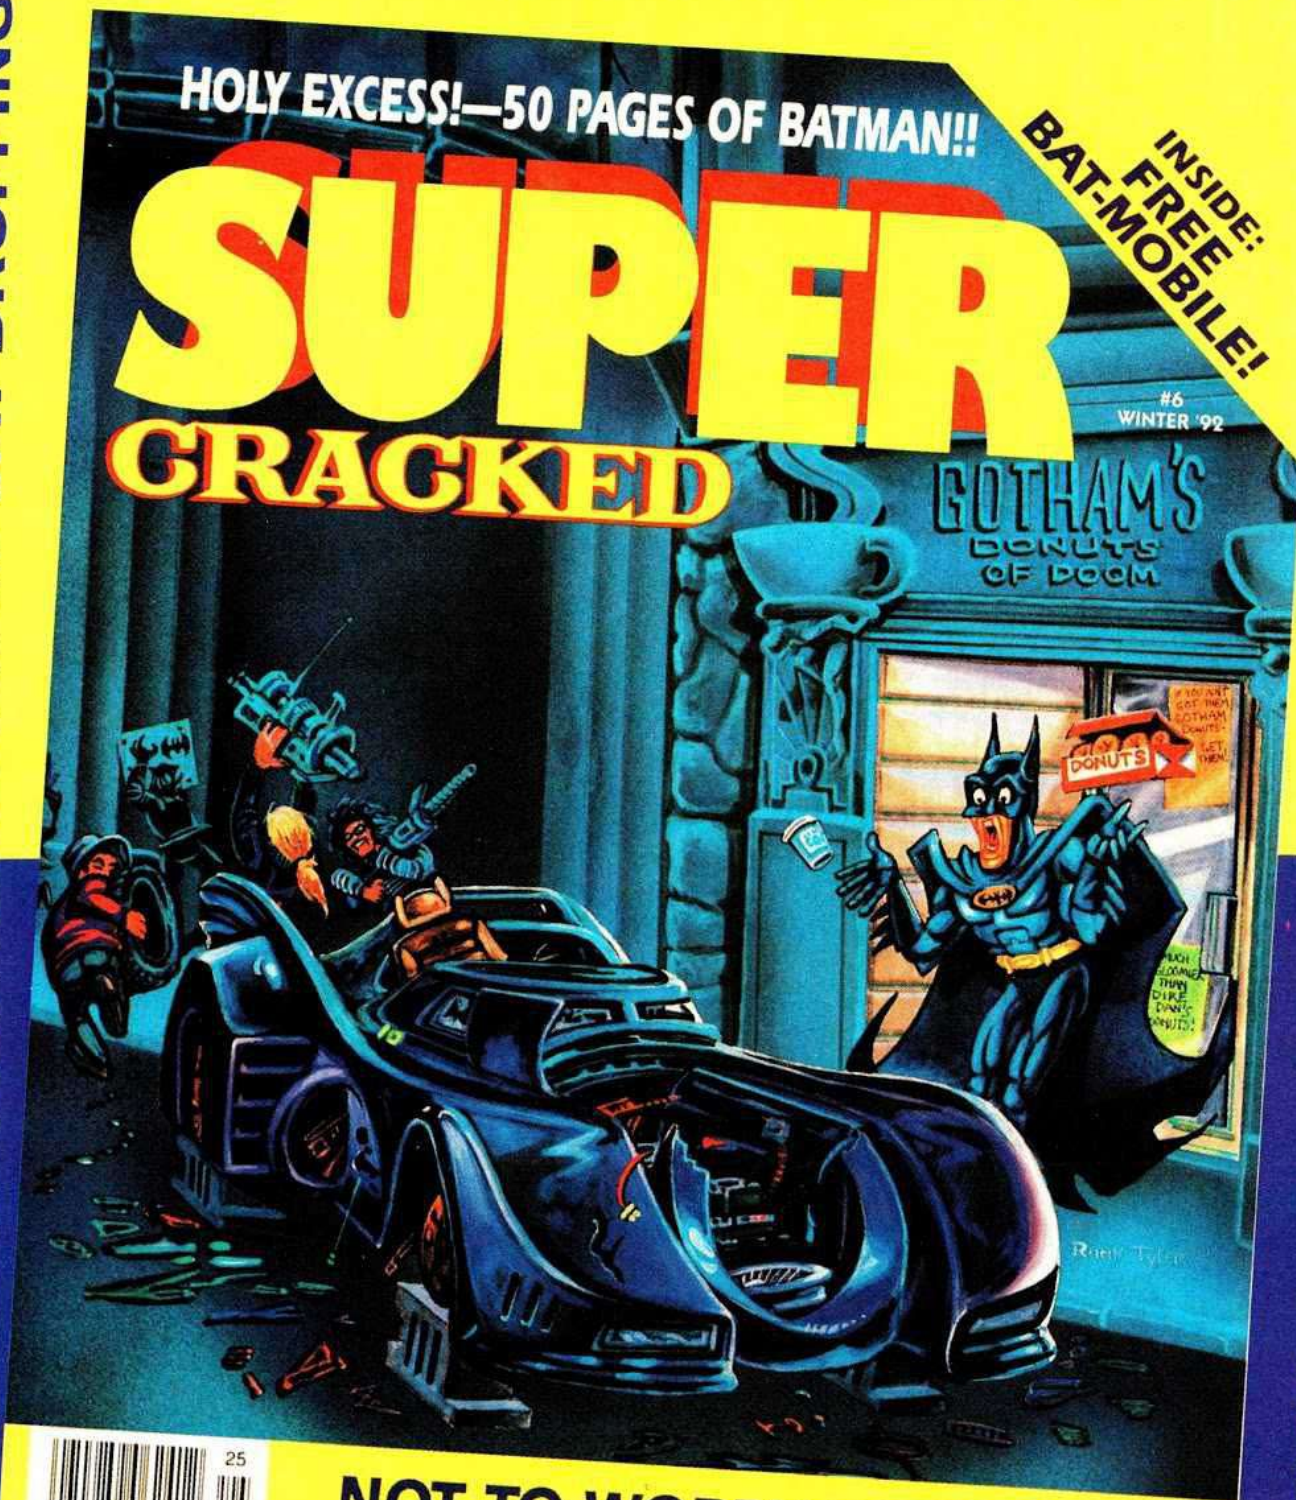

You got that right, Murph.
